

## **Commission on Collegiate Nursing Education (CCNE)**

### CCNE Third Party Comments

St Andrews University (a Branch of Webber International University) is hosting an on-site evaluation team from the Commission on Collegiate Nursing Education (CCNE) a nationally recognized accrediting agency on February 7- 10, 2023 as part of the initial accreditation process for the BSN program.

In accordance with the CCNE accreditation procedures the Commission provides the opportunity for program constituents and other interested parties to submit, in writing, third-party comments concerning a program's qualifications for accreditation. Third-party comments must be received by CCNE by no later than 21 days prior to the first day of the evaluation. All third-party comments submitted to CCNE must be written in English, consistent with CCNE's policy on Conduct of Business in English.

Please note that CCNE shares third-party comments with the evaluation team prior to the evaluation, but at no time during the review process are these comments shared with the program, the Accreditation Review Committee, or the Board of Commissioners. During its review of the program, the evaluation team considers third-party comments, if any, that relate to the accreditation standards.

Please submit comments to CCNE at [thirdpartycomments@ccneaccreditation.org](mailto:thirdpartycomments@ccneaccreditation.org). Your comments are a valuable part of the overall evaluation, and we welcome your input to ensure we provide a quality education to our nursing students.
